

Follow-up master's programme	ISCED-F	Fields of education *	Typical bachelor's programmes at FEECS VSB-TUO (ISCED-F, fields of education)	Typical bachelor's programmes (fields) of foreign universities
Communication and Information Technology	0714	06 (60 %) 14 (40 %)	Electrical Engineering (0714, 06) Computer Science (0613, 14)	Computer Science and Engineering (B.E., Anna University) Computer Science and Engineering (B.E., Visvesvaraya Technolog. Univ.) Computer Science and Engineering (B.Sc., Northern University) Electrical and Electronics Engineering (B.E., Anna University) Electrical and Electronics Engineering (B.E., Visvesvaraya Technolog. Univ.) Electronics and Communication Engineering (B.E., Anna University) Electronics and Communication Engineering (B.E., Visvesvaraya Technolog. Univ.) Information Science and Engineering (B.E., Visvesvaraya Technolog. Univ.) Information Technology (B.Tech., Anna University)
Computer Science	0613	14 (100 %)	Computer Science (0613, 14)	Computer Science and Engineering (B.E., Anna University) Computer Science and Engineering (B.E., Visvesvaraya Technolog. Univ.) Computer Science and Engineering (B.Sc., Northern University) Information Science and Engineering (B.E., Visvesvaraya Technolog. Univ.) Information Technology (B.Tech., Anna University)
Control and Information Systems	0714	15 (100 %)	Electrical Engineering (0714, 06) Computer Science (0613, 14)	Computer Science and Engineering (B.E., Anna University) Computer Science and Engineering (B.E., Visvesvaraya Technolog. Univ.) Computer Science and Engineering (B.Sc., Northern University) Electrical and Electronics Engineering (B.E., Anna University) Electrical and Electronics Engineering (B.E., Visvesvaraya Technolog. Univ.) Electronics and Communication Engineering (B.E., Anna University) Electronics and Communication Engineering (B.E., Visvesvaraya Technolog. Univ.) Information Science and Engineering (B.E., Visvesvaraya Technolog. Univ.) Information Technology (B.Tech., Anna University) Instrumentation and Control Engineering (B.E., Anna University) Medical Electronics (B.E., Anna University)
Electrical Power Engineering	0713	06 (70 %) 07 (30 %)	Electrical Engineering (0714, 06)	Electrical and Electronics Engineering (B.E., Anna University) Electrical and Electronics Engineering (B.E., Visvesvaraya Technolog. Univ.) Electronics and Communication Engineering (B.E., Anna University) Electronics and Communication Engineering (B.E., Visvesvaraya Technolog. Univ.)
Information and Communication Security	0612	14 (100 %)	Computer Science (0613, 14)	Computer Science and Engineering (B.E., Anna University) Computer Science and Engineering (B.E., Visvesvaraya Technolog. Univ.) Computer Science and Engineering (B.Sc., Northern University) Information Science and Engineering (B.E., Visvesvaraya Technolog. Univ.) Information Technology (B.Tech., Anna University)

* According to Government Decree No. 275/2016 Coll. on the areas of education in higher education: 06 Electrical Engineering, 14 Computer Science

Foreign universities: Anna University, Chennai, India; Northern University, Bangladesh; Visvesvaraya Technological University, Belagavi, Karnataka State, India

Last revision: 15. 1. 2024
